I am still waiting for an answer to this question.

What is the voting weight in the BID held by Vincent DiMelio?

Vincent DiMelio is a board member listed as a property owner but I can't dig up anything about him on the web and he is not mentioned by name in the Property Owners and Voting Percentages list.

Can you let me know what he owns in the BID so I can determine what his voting weight is?

I have found 17 of your properties in the list... let me know if I missed any.

I see you own a couple of buildings on Ante Perkov Way... the name of that street must be an interesting story.

Thanks
